Udo's Choice Adult Enzyme Blend contains fifteen active plant and fungal-based enzymes chosen to aid digestion and maximize absorption. This enzyme blend, intended for adults 19-65 years, supports digestion of foods high in protein, carbohydrates and fat, and helps increase absorption of nutrients from food. Udo's Choice Adult Enzyme Blend is a potent formula for all types of diet plans.

Directions

Take one capsule at the beginning of each meal. For heavy meals, take an additional capsule in the middle of the meal.

Product Highlights

- Enhances Proper Digestion and Absorption of Nutrients
- Plant Source
- Dietary Supplement

Warning

Store in a cool, dry place. Keep out of the reach of children. Enzymes are heat sensitive. Do not take them with very hot items. May irritate an existing ulcer. Security sealed for your protection. Do not use if seal is missing or damaged.
