Udo's Choice Super Probiotic Lozenges should be dissolved slowly in the mouth after eating to activate the bacteria needed to maintain healthy microflora in the mouth, throat, and digestive system. This unique combination of 5 dairy-free friendly bacteria with 1 billion viable cells helps support healthy intestinal flora and aids digestion.

Directions

Dissolve 1 lozenge gently in mouth after each meal. For extra strength, take 2 lozenges after each meal.

Product Highlights

It has a delicious raspberry flavor that makes it easy for both children and adults to take. Super 5 is ideal for travelers or those with sensitive digestive systems. Keep product refrigerated at all times. Can be frozen to prolong shelf life.

Warning

May irritate an existing ulcer
